Red Rose

What is it?

West Lancs Scouts has a proud history and rich programme of international Scouting. Red Rose is our 4-yearly international camp hosted by West Lancs Scouts in the North West of England, most recently in the Lake District.

More than 1000 Scouts from all over the UK, and overseas, have joined the camp as participants and staff in recent years for a week of unity, friendship and adventure.

The camp is great fun, make no mistake, but also incredibly hard work for the team that plan and deliver it.

Red Rose helps the Scout County to fulfil one of its core strategic objectives for delivering a domestic international Scouting opportunity for its members every 4 years. We hope Red Rose will fulfil this objective in some way for all our members from Beaver Scouts to Scout Network.

In 2022 Red Rose will once again take place in the Lake District at Westmorland Showground and we are now looking for a Head of Daytime Programme to be part of the core team who will make this incredible camp happen.

What is expected of the Head of Daytime Programme?

The Head of Daytime Programme is appointed by the Camp Chair to work as part of the Core Team in the delivery of the Red Rose camp. They work alongside the rest of the Core Team to implement the vision for the camp.

The Head of Daytime Programme will be responsible for all aspects of the daytime programme and building a team who can deliver it.

The Head of Daytime Programme is expected to attend and take an active role in Core Team meetings which are likely to be once every 2 months at a weekend from July 2020 until December 2022, reporting regularly to the Camp Chair and the Core Team.

There will be work between Core Team Meetings including phone calls, phone conferences, research and planning. The workload will be less initially and will build as the event approaches in the Summer of 2022.

It is expected that the Head of Daytime Programme will be present at the event itself and will most likely be required on site for some time in the few days leading up to and immediately following the event which itself will last one week.

The Head of Daytime Programme will motivate and lead the daytime programme team, setting the standards expected of others through their own actions and attitude.
