

BOWLANDER 2019 - IN TOUCH SYSTEM

Communication from Organisers to Parents

Event control will hold a central list of all Scouts participating in the event with Parent and Home Contact details provided through a Parental Consent Form. This will only be used in case of emergency or withdrawal of the Scout from the event.

Communication from Parents to Organisers

Parents will be able to contact the event through the nominated In Touch contact person Steve Morrell - telephone (01995) 61336. Contact should only be made in the case of emergencies at home which need to be notified to the individual Scout.

Communication between Parents and Scouts

Direct communication is not to be encouraged unless the Scout's Leader and/or a member of the Organising Committee is informed. This is to ensure that the Organisers remain aware of all Scouts participating in the event and to avoid Scouts being removed from the event without the Organisers' knowledge.

Communication between Leaders/Organisers and County Commissioner

This will only take place in case of emergency as set out in POR and must not take place without the prior knowledge of the Chair of the Organising Committee.
