

COUNTRYSIDE CODE

- GUARD against all risk of fire
- FASTEN all gates
- KEEP dogs under proper control
- KEEP to paths across farm land
- AVOID damaging fences, hedges and walls
- LEAVE no litter
- SAFEGUARD water supplies
- PROTECT wild life, wild plants and trees
- GO carefully on country roads
- RESPECT the life of the countryside

Scout's Special Supplement!

- Don't go on land with crops
- Don't leave water taps dripping. Water is precious to the farmer.
- Remove turf with care so it can be replaced
- Only climb trees if you have permission
- Be sure to get permission before you get firewood, and then be careful not to injure living trees or to break hedges or fences
- Keep quiet after sunset, particularly near farmhouses - country people start work early and won't appreciate a disturbed night's sleep
- Leave animals alone unless you are given permission to help with them
